

How to make your bunting

You will need these items to make your bunting - string or ribbon, scissors, stapler and time for crafts!

Step 1. Print as many A3 size copies of the LOUD shirts as you want and cut out the shirts, following the outlines.

Step 2. Cut your string to the desired length and leaving yourself a bit of extra room at the ends to tie.

Step 3. Space out your shirts along the string and staple in place.

Step 4. Hang up and enjoy your LOUD fundraiser!
