

Taralye
The oral language centre for deaf children
An RIDBC service

**Loud
Shirt
Day**

Turn your LOUD event into a virtual EXTRAVAGANZA!

Get your network together over a virtual morning tea, lunch or a drink and help raise awareness and vital funds for children with hearing loss

In the famous words of J-Lo "Let's Get LOUD!"

♦ **Call your network and host your event online**

Wear your LOUDEST shirt and host a *virtual* event with your friends, family, social group, students, colleagues or clients over a cuppa or a drink. Ask them to dress LOUD and play some charades or trivial pursuit. Share the link to your fundraising page and ask guests to donate what they would have at your physical LOUD event!

Don't forget to tell them why you've decided to get LOUD. Your network will be eager to support you when they understand how important the cause is to you.

Use our virtual call background or decorate your space with our downloadable buntings.

You can even contact Team Taralye to arrange for one of their members to speak at your event, they would be more than happy to speak to your guests about how Taralye are supporting children with hearing loss.

♦ **Throw a talent show**

Ask attendees to prepare a song, poem, rap, joke or dance to perform during your LOUD virtual event. Or ask them to learn a Tik Tok dance technique.

♦ **Organise a Quiz Show**

Invite your network and either come up with your own questions. (You can create questions related to hearing loss, for example, did you know the cochlear implant was invented by an Australian? Professor Graham Clarke.) Or you can access many online quizzes to compile age appropriate picks. You can use Kahoot quizzes that use individual devices and shared screens.

♦ **Host a Movie Night**

Sell tickets to your movie night in a form of a donation to your fundraising page. Arrange movie treats, popcorn and candy, to be mailed or delivered in advance, then use Netflix Party to watch a movie together. Attendees download the extension, and then you share the link with the partygoers. You can text chat along the side of the screen.

♦ **Too Busy?**

Donate the money you'd spend on your weekly commute, your weekly takeaway coffee, or on your lunch order and post a selfie on your social pages and dedicate the donation to children with hearing loss by adding the hashtag **#loudshirtday #loudshirtday2020**. Then the challenge is on... and nominate five of your friends to do the same.
